## Required Minimum Distribution *For qualified annuities*

We will process this request on the date when all requirements are met. To ensure processing by year-end, please submit request by November 1st.

The Internal Revenue Service (IRS) may impose a 50% excise tax on Minimum Distribution amounts that are not taken by the appropriate deadline. IRS Publications 590 (IRA) and Publication 571 (TSA) offer additional information regarding the rules as they apply to your annuity contract. Consult your personal tax advisor regarding the tax status of distributions from your annuity.

\*\*To use this calculation method, your spouse must be the sole beneficiary and be at least ten years younger than you. Generally, payments under this option are smaller than when using the uniform distribution table factors.

The request to surrender or withdraw any contract value may affect the guaranteed elements, non-guaranteed elements, face amount or surrender value of the contract from which the values are released.

**Income tax withholding**

**Withholding notice**

We cannot guarantee that your withdrawal amounts will be sufficient to meet IRS minimum distribution requirements.

Required minimum distribution (RMD) amounts are not eligible for rollover.

- Federal withholding is generally at a 10% rate, but you may generally elect not to withhold any taxes.
- We will assume that the entire withdrawal from an IRA is taxable.
- If you elect not to have federal and state income tax withheld, you are still liable for payment of federal income tax and, if applicable, state income tax on the taxable portion of the distribution. You may also be subject to tax penalties under the Estimated Tax Payment Rules if any payments of estimated tax and withholding are insufficient (IRS Publication 505 explains federal estimated tax requirements and describes penalties in detail). You may be able to avoid quarterly tax payments by having enough tax withheld from your withdrawals.
- Consult your personal tax advisor regarding the tax status of distributions.
- No state, except AR, requires withholding when federal tax is not withheld. If federal tax is not withheld, all states that otherwise require withholding will permit you to select a dollar amount or percentage of state tax to be withheld.
- **If you want state income tax withheld** in AL, AR, CO, CT, DC, GA, ID, IL, IN, KY, LA, MD, MN, MO, MT, ND, NJ, NM, OH, PA, RI, SC, UT, WI and WV **you must designate a state withholding amount.**
- **We cannot withhold state income tax** in AK, AZ, FL, HI, NH, MI, MS, NV, NY, SD, TN, TX, WA and WY.
- In DE, IA, KS, ME, MA, NE, and VT **state withholding is required at the current state rate or higher amount you choose.**
- **Unless you elect not to have state income tax withheld**, in CA, NC, OK and OR **state withholding is required at the current state rate or higher amount you choose.**
- If applicable, the state withholding certificate may state special rules and conditions for withholding state income tax from your withdrawals.
- Special withholding rules and forms apply to payments delivered overseas or to non-residents of the United States.
