3. DISCLOSURES / ACKNOWLEDGMENTS

- I. I fully assign and transfer all claims, options, privileges, rights, title and interest to either all of the life insurance policy, all of the annuity contract or part of the annuity contract value identified in the Contract Information section on page 1 to the receiving company. The sole purpose of this assignment is to effect a tax-free exchange under Section 1035(a) of the Internal Revenue Code. All of the powers, elections, appointments, options and rights I have as owner of the contract, including the right to surrender, are now exercisable by the receiving company. Simultaneous with a full assignment, I also revoke all existing beneficiary designations under the Assigned Policy. Other than the above mentioned owner, no person, firm, or corporation other than myself and the insurer that issued the above numbered policy, has an interest in said policy. No proceedings in insolvency or bankruptcy have been instituted by or against me. I understand that the receiving company intends to surrender the contract for the cash value; or if this is a partial exchange, the portion assigned, subject to its terms and conditions, and to use the proceeds as the purchase payment for the new contract to be issued by the receiving company. I authorize the surrendering company to send the proceeds directly to the receiving company and understand that fees and surrender charges may apply. This exchange is subject to acceptance by the receiving company. Neither the receiving company nor the surrendering company is liable or responsible for changes in market value that may occur after the surrendering company has processed the transaction and before the proceeds are received by the receiving company in good order and allocated to the new contract. Prior to the date of receipt of the proceeds by the receiving company, no value will accrue or be earned on the receiving company contract.
- II. If this is a partial exchange, I understand that it is subject to Revenue Ruling 2003-76, which dictates how much of the original contract's cost basis must be allocated to the new contract. The cost basis should be allocated ratably between the two contracts based on the percentage of the value retained in the original contract and the percentage of the value transferred to the new contract. For example, if the contract value is \$100,000 and basis is \$50,000, and I assign 30% for a partial exchange, then \$15,000 (30% of \$50,000) of the basis would be applied to the new contract. I understand that the IRS has raised concerns about annuity contract owners using partial exchanges to avoid income tax, and I certify that I am not entering into this transaction for the purpose of reducing or avoiding income tax or the 10% penalty tax for early withdrawals.

I expressly represent that the sole purpose is to effect a partial 1035 exchange of an annuity contract. However, I acknowledge that Revenue Procedure 2011-38 states that withdrawals from annuitization, taxable owner or annuitant changes, or surrenders, other than an amount received as an annuity for a period of 10 years or more or during one or more lives, of either the original contract or the new contract during the 180 day period following the partial exchange, may affect the tax free status of the partial exchange.

Note: Other exceptions may apply and a subsequent direct transfer of all or a portion of either contract involved in the exchange could have tax and tax reporting consequences. Please consult your tax advisor. Please confirm with the carrier if they will support partial 1035 exchanges.

I acknowledge that the receiving company has made no representations concerning any tax treatment of this transaction. I understand that the receiving company has neither responsibility nor liability for the validity of this transaction or for my treatment under Section 1035(a) of the Internal Revenue Code or otherwise. Therefore, I agree to release and hold harmless the receiving company and its agents from any and all liability arising from, relating to, or in connection with, the taxation of a partial exchange of the above listed contract. I authorize the receiving company and the surrendering institution to share information necessary to maintain accurate records of the annuity cost basis and to ensure proper withholding and tax reporting. I have been directed to consult my tax or legal advisor before proceeding.

- III. I authorize the receiving company to rely upon the cost basis information provided by the surrendering company, but agree that the receiving company will assume no responsibility for determining or verifying cost basis. If cost basis is not provided, I acknowledge that more restrictive or less beneficial tax rules may apply to the amounts transferred. I acknowledge that the receiving company provides this form and participates in this transaction as an accommodation to me. The receiving company does not give tax or legal advice on the tax consequences for replacing one contract for another, and assumes no responsibility or liability for the validity of this assignment or for the tax treatment of this exchange under IRC Section 1035(a) or other laws or regulations.
- IV. I agree that if the receiving company, in its sole discretion, determines that it is unlikely to receive timely payment of the full contract cash surrender values, the receiving company may reassign ownership of the policy/contract back to me.
- V. RETURN OF LIFE INSURANCE POLICY OR ANNUITY CONTRACT - Does not apply to partial 1035 exchanges on annuity contracts. Unless the surrendering company's policy or contract is attached, I affirm that the policy or contract has been destroyed or lost and that reasonable effort has been made to locate it. To the best of my knowledge no one else has any right, title or interest in the contract, nor has it been assigned, pledged or encumbered, unless this is a life insurance policy with a loan to carry forward.
- VI. MAXIMUM ISSUE AGE DISCLOSURE - An annuity contract may not be issued should the funding requirements be received after reaching maximum issue age for the annuity contract applied for. If the funds are received after the maximum issue age, the contract may be rejected and the funds returned to their original source. The surrendering company may or may not take the funds back, which could result in a taxable event.
- VII. NON-QUALIFIED TRANSFER OF FUNDS (NON 1035 EXCHANGE) - The receiving company will apply all such funds received to an annuity contract issued to me. I understand that the receiving company assumes no responsibility for tax treatment of this matter and I shall be responsible for payment of all federal, state and local taxes incurred with respect to the liquidation of such account. I acknowledge that the earnings credited under the annuity contract will begin to accrue when the receiving company receives these proceeds and all other necessary paperwork in good order. For index annuities, fixed account interest under the annuity contract will begin to accrue on the next Issue Day.
- VIII. TRANSFER / EXCHANGE OF FUNDS INTO A TSA/403(B) - The TSA/403(b) owner / participant's employer or employer's third-party administrator must authorize and sign this transfer request in Section 5.

Authorization for a TSA/403(b) transfer / exchange to a TSA/403(b): This request is for the direct transfer / exchange of non-ERISA funds from the TSA/403(b) (annuity contract) or 403(b)(7) (custodial account) identified in Section 1 of this form to a TSA/403(b) (annuity contract) established on my behalf by the receiving company. I hereby agree to surrender my interest as indicated above and authorize the receiving company to take whatever action necessary to effect this transfer / exchange. I acknowledge that the transferred / exchanged funds shall be subject to the more stringent restrictions on distributions found in either the predecessor annuity contract or the receiving annuity contract. I intend this transaction to be a 403(b) transfer / exchange of funds pursuant to IRC section 403(b) and the final regulations. The transfer / exchange is to be executed from financial institution to financial institution in such a manner that it will not place me in actual or constructive receipt of all or any part of the transferred / exchanged funds. Because this transaction constitutes a direct rollover / transfer / exchange of funds and not a distribution, withholding does not apply. (Provide the receiving company with any records or documents they may request with respect to this transfer / exchange.)

- IX. The IRS has provided limited guidance on the tax consequences of transferring a life insurance policy with values less than the investment in the contract to a new or existing annuity contract. If the owner surrenders the newly acquired annuity contract, it's not clear whether the annuity losses are fully deductible against ordinary income or deductible as a miscellaneous deduction subject to a limitation of 2% of adjusted gross income (AGI). If the IRS views the two transactions as a single integrated transaction, they could consider it a step transaction and successfully disallow the losses as a tax deduction.

4. TAXPAYER IDENTIFICATION NUMBER CERTIFICATION

Under penalties of perjury, I certify that:

1. The number on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. person (including a U.S. resident alien).
 Check this box if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return.
4. I am exempt from Foreign Account Tax Compliance Act (FATCA) reporting.

5. SIGNATURES

This transfer request also authorizes the receiving and surrendering company to request information on the status of this transfer or exchange by phone or in writing. By signing below, I represent that the responses herein are, to the best of my knowledge, accurate and I have read the DISCLOSURES / ACKNOWLEDGMENTS section on page 2 the ACORD 1035 Exchange / Rollover / Transfer Form.

The Internal Revenue Service does not require your consent to any provisions of this document other than the certifications required to avoid backup withholding.

SECTION 5: NOTICE OF WITHHOLDING INCOME TAX (Required)

State withholding does not apply in AK, FL, HI, NV, NH, SD, TN, TX, WA or WY. For AZ and MI residents, National Integrity will withhold at the state's standard rate unless you elect otherwise using form A-4P or MI W-P, respectively. For CT residents, mandatory withholding will apply unless form CT-W4P is submitted to opt out. Opt out is not available for single sum distributions. If you choose not to withhold federal tax, National Integrity will also not withhold any state income tax unless you indicate otherwise.

SECTION 7: TERMS AND CONDITIONS OF THE PROGRAM

The following terms and condition apply to this annuity contract. Please read them carefully. If you fail to meet these terms and conditions at any time, you may incur adverse tax consequences.

Non-Qualified Extended contracts

You are purchasing an annuity contract as a part of a death benefit distribution that involves payments to be made over your life expectancy. National Integrity will calculate and make these payments according to the payment option elected. The Internal Revenue Service (IRS) has not reviewed this contract and National Integrity does not guarantee that the payment from the contract will qualify for the tax treatment being applied.

1. The payments must be substantially equal payments made over your life expectancy. Your payments will be taxed as amounts received as an annuity and the investment in the contract will be spread over the number of periodic payments made over your life expectancy.
2. Your first payment must be distributed to you on or before the first anniversary of the deceased contract owner's date of death.
3. You must have made your election to receive stretch payments of the death benefit within 60 days from the time the benefit was payable to you.
4. You must receive your annual amount each year.
5. No additional contribution can be made to this contract.
6. You have the option to surrender the contract or take a partial withdrawal at any time. However, if you surrender the contract or take a partial withdrawal, your payments will no longer be taxed as amounts received as an annuity; instead you will receive the gain first and be taxed first on all of the gain remaining in the contract.

SECTION 7: TERMS AND CONDITIONS OF THE PROGRAM (Continued)

7. You cannot transfer or assign the contract.
8. Any optional rider offered under a product is not available on your contract.

Inherited (Stretch) IRA and Roth IRA contracts

You are purchasing an annuity contract as a part of a death benefit distribution that involves payments to be made over your life expectancy. National Integrity will calculate and make these payments according to the payment option elected. The Internal Revenue Service (IRS) has not reviewed this contract and National Integrity does not guarantee that the payment from the contract will qualify for the tax treatment being applied.

1. The payments are required minimum distributions based on your life expectancy.
2. Your first payment must be distributed to you before the end of the tax year following the deceased contract owner's date of death.
3. You must receive your annual amount each year.
4. No additional contribution can be made to this account.
5. You have the option to surrender the contract or take a partial withdrawal at any time. However, if you surrender the contract or take a partial withdrawal, your payments will no longer be taxed as amounts received as an annuity; instead you will receive the gain first and be taxed first on all of the gain remaining in the contract.
6. You cannot transfer or assign the contract.
7. Any optional rider offered under a product is not available on your contract.

The IRC defines an "Eligible Designated Beneficiary" to mean with respect to the Decedent Owner of the prior Contract, any designated beneficiary who is –

- The surviving spouse;
- A child who has not reached majority (age 18) within the meaning of Code Section 401(a)(9)(F)¹;
- Disabled (within the meaning of Code Section 72(m)(7));
- A chronically ill individual (within the meaning of Code Section 7702B(c)(2), except that the requirements of Code Section 7702B(c)(2)(A)(i) thereof shall only be treated as met if there is a certification that, as of such date, the period of inability described in such subparagraph with respect to the individual is an indefinite one which is reasonably expected to be lengthy in nature); or
- An individual not described in any of the preceding subclauses who is not more than 10 years younger than the Owner.

SECTION 8: STATEMENT OF UNDERSTANDING

I understand that National Integrity does not intend for any material, including annuity contracts, it provides to customers or potential customers to be used, and in fact it prohibits the use of such material, for the purpose of evading federal, state and local taxes and penalties.

I understand that the annuity contract I am purchasing provides certain rights to me as owner and upon my death, to my named beneficiaries. I understand that the exercise of some of those rights may result in adverse tax consequences due to the tax law restrictions associated with this contract. I also understand that the contract has withdrawal charges and may also have a market value adjustment, which apply to a full surrender and to any partial withdrawal greater than the free withdrawal amount stated in the contract, even if the withdrawal is for the required distribution amount.

¹ Currently not supported.

SECTION 9: ANNUITY PRODUCT DISCLOSURE

Note for IncomeSource Contracts: The SECURE Act eliminates “stretch IRAs” by requiring that all distributions to a designated beneficiary be made by the end of the 10th calendar year following the year in which the IRA owner dies (except if such beneficiary is a surviving spouse, disabled, chronically ill, a minor child or not more than 10 years younger than the IRA owner). Therefore, any period certain payout that would extend beyond the 10th calendar year following the last annuitant’s death will be commuted at the end of that 10-year period.

SECTION 10: CERTIFICATION AND AUTHORIZATION

By signing this form I certify the following:

1. I understand that National Integrity is not responsible for monitoring the distributions required from this account and that it is my responsibility to ensure that the correct amount is withdrawn from my account each year. I hold National Integrity harmless from any liability that may arise from my failure to withdraw the required annual payment amount.
2. I understand that National Integrity does not provide tax or legal advice. I acknowledge that I am responsible for all tax consequences resulting from my decision to establish or continue an account at National Integrity.
3. Under the penalties of perjury, I certify that:
 - a. the number shown on this form is my correct taxpayer identification number, and
 - b. I am not subject to backup withholding because (i) I am exempt from backup withholding or (ii) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of failure to report all interest or dividends, or (iii) the IRS has notified me that I am no longer subject to backup withholding, and
 - c. I am a US citizen. National Integrity suggests that you consult with an attorney or tax advisor for proper tax advice.

Note: You must cross out item 3b of certification if you have been notified by the IRS that you are currently subject to backup withholding because of underreporting of interest or dividends on your tax returns.

I authorize National Integrity to distribute my annual payment amount in accordance with the instructions given above, and to credit my account with payments at the above named financial institution. This agreement will remain active until written notification is received and processed by National Integrity. I authorize the financial institution to debit my account and refund any overpayments by National Integrity.

For Inherited (Stretch) IRA and Roth IRA contracts:

As Owner, I read and understand the definition of an “Eligible Designated Beneficiary” in section 7. I hereby certify that I qualify as an Eligible Designated Beneficiary.

By signing, I acknowledge that I have read and understand all of the rules and information provided above.

GENERAL INFORMATION

The Internal Revenue Code (IRC) requires owners to start receiving required minimum distributions (RMD) from IRAs by the required beginning date and every year thereafter. The required beginning date is April 1 of the calendar year following the year the owner reaches age 73. Only the first RMD may be delayed until April 1 of the year following the calendar year the owner attains age 73. All subsequent RMDs must be taken by December 31. Failure to take RMDs may subject the IRA owner to a 50% penalty tax on undistributed amounts.

The RMD is based on the value of the IRA on December 31 of the previous year. The value of your IRA is determined according to the IRC and related regulations and may be greater than the account value if you have certain enhanced death benefits or guaranteed living benefits. The total RMD for an owner each year is based on the sum of the RMDs for each of the owner's IRAs. Distributions from one IRA or any combination of IRAs are acceptable as long as the amount distributed meets the total RMD.

National Integrity Life Insurance Company (National Integrity) will calculate RMDs beginning the second calendar year after the contract is purchased. If a new contract is being funded by transfer, rollover or conversion in the year the owner turns age 73, or any year thereafter, the RMD for the year of funding cannot be taken from the new contract. The RMD calculated by National Integrity is based on this IRA only, and does not take into consideration any other IRAs. National Integrity's current company practice is to waive any surrender or withdrawal charges that might otherwise apply to a withdrawal of the RMD. This practice may change without notice unless such a waiver is guaranteed in your contract.

The information in this form is general and not intended as tax advice. Tax rules governing RMD are complex. Seek professional tax advice.

DISTRIBUTION CALCULATION METHOD ELECTION

If the IRA owner designates his or her spouse as the sole beneficiary, and the spouse is more than 10 years younger than the owner, the owner may elect to calculate the RMD over the recalculated joint life expectancy of the owner and spouse. In all other cases, the RMD is calculated according to the Uniform Table published by the IRS.

Choose your method for calculating RMDs:

[] Calculate my RMD using the Uniform Table.

[] My spouse is my designated beneficiary and is more than 10 years younger than me. Calculate my RMD using our recalculated joint life expectancy. If selected, complete the following information about the owner's spouse.

EXCESS WITHDRAWAL AND GLWB/GMWB: A CAUTION

Withdrawals in excess of the guaranteed withdrawal amount, called “excess withdrawals”, will result in a permanent reduction in future guaranteed withdrawal amounts. If you would like to make an excess withdrawal and are uncertain how an excess withdrawal will reduce your future guaranteed withdrawal amounts, then you may contact us prior to requesting the withdrawal to obtain a personalized transaction-specific calculation showing the effect of the excess withdrawal.

GUARANTEED MINIMUM WITHDRAWAL BENEFIT (GMWB) DISCLOSURE

The following restrictions apply to variable annuity contract owners who have elected the optional GMWB rider. (The GMWB rider was offered from September 2007 to February 2008.)

If you elect to use the systematic RMD program available with your GMWB, your Guaranteed Withdrawal Balance will not be reset (reduced) regardless of the amount of RMD as long as you follow the program rules. National Integrity will make your withdrawals on a monthly basis only. You may not take withdrawals in addition to those from the RMD program. If you opt out of the RMD program or make a withdrawal other than through the RMD program, even if taken for the purposes of the RMD, you will be removed from the RMD program and cannot be reinstated. Thereafter, any withdrawals will be treated as ordinary withdrawals, subject to terms of the rider and may result in a reset (reduction) of your Guaranteed Withdrawal Balance. Additional restrictions apply for the initial RMD distribution and for enrollment and distribution if you are over 73 in the calendar year in which you purchase your GMWB Rider. No RMD payments will be made during the Guaranteed Payment Phase. Please read the prospectus and review your GMWB rider for details.

GUARANTEED LIFETIME WITHDRAWAL BENEFIT (GLWB) DISCLOSURE

If you have an AnnuChoice, AdvantEdge or Pinnacle variable annuity with a GLWB, RMD withdrawals will be made automatically at the frequency indicated on page one. Withdrawals will represent the greater of your Lifetime Payout Amount (LPA) or your RMD. Timing of the withdrawals may be restricted so you can satisfy your RMD requirements without inadvertently taking a Nonguaranteed Withdrawal, which will reduce your benefit. If you take additional withdrawals or do not honor these automatic timing restrictions, any withdrawal that exceeds your LPA will be treated as a Nonguaranteed Withdrawal. Please read the prospectus and review your GLWB rider for details.

If you have a VAROOM contract with a GLWB, withdrawal of your RMD will not result in a Nonguaranteed Withdrawal, which will reduce your benefit, except if you have elected the spousal GLWB and your spouse is more than 10 years younger than you.

INCOME TAX WITHHOLDING

Federal tax law states that the taxable portion of withdrawals is subject to 10% income tax withholding, although you may elect to have it withheld at a different percentage rate or elect no withholding. **Unless you request otherwise on the form below, National Integrity Life will be required to withhold 10% federal income tax.** If you are a resident of AR, CA, DC, DE, GA, IA, KS, MA, MD, ME, NC, NE, OK, OR, VA, VT or Puerto Rico and withhold federal tax, National Integrity must also withhold state tax at the state's standard rate unless you indicate otherwise. State withholding does not apply in AK, FL, HI, NV, NH, SD, TN, TX, WA or WY. For CT residents, mandatory withholding will apply unless form CT-W4P is submitted to opt out. Opt out is not available for single sum distributions. For MS residents, mandatory withholding will apply for early distributions (before age 59.5) or a return of excess contributions from qualified plans. If you choose not to withhold federal tax, National Integrity will also not withhold any state income tax unless you indicate otherwise.

Even if you elect not to have income tax withheld, you are still liable for the payment of income taxes on your taxable distributions. You may also be subject to tax penalties if your payments of estimated tax and withholding, if any, are inadequate. I direct National Integrity to:

Federal

- To withhold the standard rate for federal income taxes
- NOT to withhold federal income taxes
- To withhold taxes as follows: _____% rate
(see IRS Form W-4R and Marginal Rate Table for more information)

State (Certain states require additional information as noted above)

- Withhold based on the state's standard rate
- NOT to withhold state income taxes
- To withhold taxes as follows: _____% or \$ _____ amount

CERTIFICATION

Under penalties of perjury, I certify that (1) the number shown on this form is my correct tax identification number, (2) that I am not subject to backup withholding because (a) I am exempt from backup withholding or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends or (c) the IRS has notified me that I am no longer subject to backup withholding, **and** (3) I am a US citizen or resident alien.

Note: You must cross out item #2 of certification if you have been notified by the IRS that you are currently subject to backup withholding because of underreporting of interest or dividends on your tax returns.

I understand all amounts withdrawn from a tax-qualified annuity contract are treated as taxable income. If I am under age 59½, I understand that I may be subject to a 10% penalty tax on taxable amounts received.

I understand and acknowledge that I should seek professional tax advice about my specific situation and that **National Integrity does not provide tax advice.**

I understand that a withdrawal charge may apply if the amount withdrawn is greater than the free withdrawal amount. All interest rates are declared at an annual effective rate, taking into account daily compounding of interest. I understand that withdrawals or transfers during the guarantee period will dilute the benefit of daily compounding and thus lower the effective annual interest rate.

I have read and understand the requirements for RMDs. My financial representative has explained that any rollover or transfer amounts I may use to fund this contract is net of any RMD for the current tax year. I elect to have my RMD distributed to me as indicated above. I understand that distributions will continue automatically at the intervals selected until I provide written notification to National Integrity that I wish distributions to cease or be changed. I authorize the financial institution to debit my account and to refund any over payments by National Integrity.

I understand and agree to the terms and conditions of this request.

Consumer Profile Information Questionnaire Instructions

FINANCIAL PROFESSIONAL'S CONSIDERATIONS FOR RECOMMENDING SUITABLE SALES

Our Company is responsible for evaluating recommendations made by Financial Professionals ("Producer") to purchase the products offered by our Company. The Annuity Suitability Questionnaire ("Questionnaire") is designed to assist in documenting the proposed annuity contract ("Contract") owner's ("Consumer") financial situation, needs and objectives related to a specific recommendation to purchase, exchange or replace an annuity made by you as the Financial Professional. This Questionnaire captures the Consumer's information used to evaluate whether or not a reasonable basis exists for this recommendation to purchase the proposed Contract.

Should questions about the suitability of the recommendation to purchase the Contract arise after it is issued, it will be helpful to have a detailed summary in your files as to why your recommendation was suitable at the time it was made. It is important to keep notes on each conversation, information discussed and presented, and every item you considered during your suitability analysis. In New York, you are required to document the basis for the recommendation and the facts and analysis that support that recommendation.

Each applicable question on the Questionnaire should be completed. Please note that failure to complete any applicable questions may lead to delays in the review of the Contract, the subsequent transfer and/or exchange request (if applicable) to outside companies/carriers, and the issuance of the Contract. After considering the information collected on the Questionnaire, you must only recommend a Contract that you have a reasonable basis to believe the Consumer will benefit from certain features and the Contract is suitable. Please recognize that the company will not issue the Contract without a reasonable basis for determining that the Contract is suitable.

IMPORTANT NOTE: Any changes to a signed Questionnaire must be initialed and dated by the Consumer.

CONSUMER CONTACT PROGRAM

The Consumer may receive a suitability verification phone call prior to Contract issuance to confirm their understanding of the:

- Type of product purchased;
- Length of surrender penalty period;
- Source of funds/liquidity provisions;
- Changes being made to other coverage in connection with the purchase (replacement); and
- Whether the Producer conducted a needs analysis before recommending the Contract.

Knowing about the Consumer Contact Program and preparing Consumers to receive a telephone call has significant benefits for the Producer and our Company. These benefits include:

- Assuring Consumers understand what they have purchased;
- Solidifying Consumer understanding of the sale;
- Using best practices to assure recommendations are suitable and in compliance with state regulations and Company guidelines; and
- Demonstrating ethical sales and suitability practices on behalf of the Consumer.

IMPORTANT INFORMATION TO CONSIDER

The liquidation of an annuity or life insurance product to fund the purchase of an annuity may have tax consequences. The Company does not provide tax advice. Prior to liquidating any assets, you should consult with your tax advisor.

The liquidation of some investment and/or insurance products may subject you to surrender charges and fees and you will be subject to new surrenders charges or limits on accessing your funds in the new annuity contract.

You may lose a portion or all of the guaranteed benefits in your existing annuity or life insurance product to include, but not limited to any living benefits such as guaranteed withdrawal and income riders, guaranteed minimum benefits as well as any guaranteed death benefits associated with the contract or attached riders.

The insurance benefits and other features of variable insurance products may cause higher internal expenses than other investment alternatives.

For investors under the age of 72, required minimum distributions may exceed the allowable free withdrawal amounts from the annuity contract and/or withdrawal and income riders resulting in surrender charges and/or reduction in guaranteed benefits.

Be sure to review the product prospectus (as applicable) and/or marketing materials for each existing and new investment for specific information regarding fees, expenses and benefits.

DEPARTMENT OF FINANCIAL SERVICES OF THE STATE OF NEW YORK
IMPORTANT NOTICE REGARDING REPLACEMENT OR CHANGE OF LIFE INSURANCE
POLICIES OR ANNUITY CONTRACTS.

FORM F

THIS NOTICE IS FOR YOUR BENEFIT AND REQUIRED BY INSURANCE REGULATION NO. 60

YOU ARE CONTEMPLATING THE PURCHASE OF A LIFE INSURANCE POLICY OR ANNUITY CONTRACT IN CONNECTION WITH THE SURRENDER, LAPSE OR CHANGE OF EXISTING LIFE INSURANCE POLICIES OR ANNUITY CONTRACTS. THE AGENT OR BROKER IS REQUIRED TO GIVE YOU THIS NOTICE. A SIGNED DISCLOSURE STATEMENT WILL ALSO BE PROVIDED TO YOU CONTAINING THE SUMMARY RESULT COMPARISON FOR THE NEW LIFE INSURANCE POLICY OR ANNUITY CONTRACT AND ANY LIFE INSURANCE POLICIES OR ANNUITY CONTRACTS TO BE CHANGED THAT SETS FORTH THE FACTS OF THE TRANSACTION AND ITS ADVANTAGES AND DISADVANTAGES TO YOU. YOUR DECISION COULD BE A GOOD ONE - OR A MISTAKE - SO MAKE SURE YOU UNDERSTAND THE FACTS. YOU SHOULD:

1. CAREFULLY STUDY THE DISCLOSURE STATEMENT, WHICH INCLUDES A SUMMARY RESULT COMPARISON, UNTIL YOU ARE SURE YOU UNDERSTAND FULLY THE EFFECT OF THE TRANSACTION. **THE DISCLOSURE STATEMENT IS REQUIRED TO BE PROVIDED TO YOU NO LATER THAN UPON DELIVERY OF THE POLICY OR CONTRACT.**
2. ASK THE COMPANY, AGENT OR BROKER FROM WHOM YOU BOUGHT YOUR EXISTING LIFE INSURANCE POLICIES OR ANNUITY CONTRACTS TO REVIEW WITH YOU THE TRANSACTION. YOU MAY BE ABLE TO EFFECT THE CHANGES YOU DESIRE MORE ADVANTAGEOUSLY WITH THEM.
3. CONSULT YOUR TAX ADVISOR. THERE MAY BE UNFAVORABLE TAX IMPLICATIONS ASSOCIATED WITH THE CONTEMPLATED CHANGES TO YOUR EXISTING LIFE INSURANCE POLICIES OR ANNUITY CONTRACTS.

As a general rule, it is often not advantageous to drop or change existing coverage in favor of new coverage, whether issued by the same or a different insurance company. Some of the reasons it may be disadvantageous are:

1. The amount of the annual premium under an existing life insurance policy may be lower than that called for by a new life insurance policy having the same or similar benefits. Any replacement of the same type of policy will normally be at a higher premium rate based upon the insured's then attained age.
2. Since the initial costs of a life insurance policy are charged against the cash value increases in the earlier life insurance policy years, the replacement of an old life insurance policy by a new one results in the policyholder sustaining the burden of these costs twice. Annuity contracts usually contain provision for surrender charges, therefore a replacement involving annuity contracts may result in the imposition of surrender charges.
3. The incontestable and suicide clauses begin anew in a new life insurance policy. This could result in a claim being denied under the new life insurance policy that would have been paid under the life insurance policy that was replaced.
4. An existing life insurance policy or annuity contract often has more favorable provisions than a new life insurance policy or annuity contract in areas such as loan interest rate, settlement options, disability benefits and tax treatment.
5. There may have been changes in your health since the purchase of the existing coverage.
6. The insurance company with which you have existing coverage can often make a desired change on terms that would be more favorable than if you replaced existing coverage with new coverage.

YOU HAVE THE RIGHT, WITHIN 60 DAYS FROM THE DATE OF DELIVERY OF A NEW LIFE INSURANCE POLICY OR ANNUITY CONTRACT, TO RETURN IT TO THE INSURER AND RECEIVE AN UNCONDITIONAL FULL REFUND OF ALL PREMIUMS OR CONSIDERATIONS PAID ON IT, OR IN THE CASE OF A VARIABLE OR MARKET VALUE ADJUSTMENT POLICY OR CONTRACT, A PAYMENT OF THE CASH SURRENDER BENEFITS PROVIDED UNDER THE POLICY OR CONTRACT, PLUS THE AMOUNT OF ALL FEES AND OTHER CHARGES DEDUCTED FROM GROSS CONSIDERATIONS OR IMPOSED UNDER THE LIFE INSURANCE POLICY OR ANNUITY CONTRACT, AND MAY HAVE THE RIGHT TO REINSTATE OR RESTORE ANY LIFE INSURANCE POLICIES AND ANNUITY CONTRACTS THAT WERE SURRENDERED, LAPSED OR CHANGED IN THE TRANSACTION TO THEIR FORMER STATUS TO THE EXTENT POSSIBLE AND IN ACCORDANCE WITH THE INSURER'S PUBLISHED REINSTATEMENT RULES TO THE EXTENT SUCH RULES ARE NOT INCONSISTENT WITH THE PROVISIONS OF 11 NYCRR PART 51 (INSURANCE REGULATION 60).

IMPORTANT: THIS RIGHT SHOULD NOT BE VIEWED AS REINSTATING OR RESTORING YOUR LIFE INSURANCE POLICY OR ANNUITY CONTRACT TO THE SAME CONDITION AS IF IT HAD NEVER BEEN REPLACED. THERE MAY BE CONSEQUENCES IN REINSTATING OR RESTORING YOUR LIFE INSURANCE POLICY OR ANNUITY CONTRACT, INCLUDING BUT NOT LIMITED TO:

- THE RIGHT TO REINSTATE OR RESTORE YOUR LIFE INSURANCE POLICY OR ANNUITY CONTRACT APPLIES ONLY TO COMPANIES SUBJECT TO NEW YORK INSURANCE LAWS;
- YOUR LIFE INSURANCE POLICY OR ANNUITY CONTRACT IS SUBJECT TO YOUR SPECIFIC COMPANY'S REINSTATEMENT RULES, WHICH MAY VARY FROM COMPANY TO COMPANY. THESE RULES MAY REQUIRE PAYMENT OF BOTH PREMIUM AND INTEREST; HOWEVER, YOU WILL NOT BE SUBJECT TO EVIDENCE OF INSURABILITY, OR A NEW CONTESTABLE OR SUICIDE PERIOD;
- YOU MAY NOT RECEIVE THE INTEREST OR INVESTMENT PERFORMANCE DURING THE PERIOD THE LIFE INSURANCE POLICY OR ANNUITY CONTRACT WAS REPLACED; AND
- THERE MAY BE UNFAVORABLE FEDERAL INCOME TAX CONSEQUENCES AS A RESULT OF THE REINSTATEMENT OF YOUR LIFE INSURANCE POLICY OR ANNUITY CONTACT.

IMPORTANT: IN THE CASE OF A VARIABLE OR MARKET VALUE ADJUSTMENT POLICY OR CONTRACT, THE VALUE OF THE POLICY OR CONTACT MAY INCREASE OR DECREASE DURING THE 60 DAY PERIOD DEPENDING ON THE PERFORMANCE OF THE UNDERLYING INVESTMENTS, WHICH MAY AFFECT THE VALUE OF THE REFUND YOU RECEIVE.

I HEREBY ACKNOWLEDGE THAT I READ THE ABOVE "IMPORTANT NOTICE" AND HAVE RECEIVED A COPY OF THE SAME.

- 2 Calculations for both current and proposed policies are based on current values and do not include possible future additional deposits or withdrawals.
- 3 If more than one policy is being replaced, the figures shown reflect the aggregate total of the values for policies currently in force on the dates shown on page 2.
- 4 Note that the annual investment rates need to be reduced by management and other fund expenses and other contractual charges (other than surrender charge).
- 5 Since the fixed rate declared is subject to change at any time, the rate actually declared in effect on the date of issue may differ from the current rate indicated above, and the return received on the investment may differ from our current rate.
- 6 Surrender values will vary if a Market Value Adjustment (MVA) is applicable. An MVA will increase or decrease these values, and is applied to full surrenders, partial withdrawals, transfers or annuitizations made more than 30 days before the expiration of a Guaranteed Period. An MVA is not applied to partial withdrawals that are within the Free Withdrawal Amount.

You should determine whether it would be more advantageous to annuitize your existing deferred annuity contract according to the terms of the original contract. This may also allow you to avoid a surrender charge. Once an immediate annuity converts into a stream of income payments and it cannot be surrendered. After the contract is issued, the terms of your annuity, such as the Income Payment Option, payment amount, or payment frequency, cannot be changed and you cannot withdraw any part of your annuity.

¹ A Market Value Adjustment (MVA) applies to withdrawals in excess of the free withdrawal amount. It reflects the effect of the change in the interest rates we offer between the time the GRO was selected and the time the MVA is applied. Generally, if interest rates increase, the MVA reduces your contract's value. On the other hand, if interest rates decrease, the MVA increases your contract's value. The MVA does not apply during the last 30 days of the GRO or to the death benefit. The contractual MVA limit for MultiVantage and New Momentum applies to negative MVAs only.

² Renewal GROs greater than 7 years are not available. The length of the Withdrawal Charge Schedule matches the length of the Initial GRO Period for the 4, 5, and 7 year GROs and matches the length of the Renewal GRO Period for the 4 and 5 year GROs. Withdrawals Charges are limited to 7 years for Initial GROs longer than 7 years.

³ For New Momentum, you can choose among one or more of the available GROs.

⁴ Insurance products are issued by an insurance company using a general account or a separate account. In a general account structure the assets are invested in the insurance company's general account, and the entire general account of the insurance company supports the guarantees for all products backed by the assets in the general account. The assets in a general account are not attributable to any single product liability. Separate account assets are segregated from the general account of the insurer, and specifically support the product(s) issued by the insurer through the separate account. A separate account's assets are used first to meet the guarantees for any product using the separate account, and if the separate account assets are insufficient, contract owners would look to the general account to make up any potential shortfall on an equal basis with all general account claimants.
